Super Goal 3: Composition

Unit 1: Lifestyles

Common Habits of Young People

In my survey, young people in my country usually play video games. They often watch videos on their phones, and this makes them happy. Some students sometimes read books, but they rarely do sports. I think we should always try to choose good habits.

Unit 2: Life Stories

My Life Story

I was born in **Jeddah**, and I grew up with my family. I went to school when I was six. One important thing in my life was getting a good grade in school. My parents and teachers help me, and they make me feel happy. I want to do more good things in the future.

Unit 3: When Are You Travelling?

Email

Hi my friend,

I am studying in a foreign country. It is new and interesting. I feel happy, but I also miss my family. The school is good, and I am learning new things. I plan to visit places and make new friends.

Write to me soon!

Unit 4: What Do I Need to Buy?

My Favorite Recipe: Fruit Salad

Ingredients:

- 1 apple
- 1 banana
- 1 orange
- 1 spoon of honey

Directions:

First, wash the fruits.
Next, cut them into small pieces.
Then, put them in a bowl.
After that, add the honey.
Finally, mix everything and enjoy your salad!

Unit 5: Since When?

My Important Possessions

I have two important things. The first one is my watch. I have had it for two years, and it is special because my mom gave it to me. The second one is my notebook. I have had it for one year, and I like it because I write in it. They are special to me, and I keep them safe.

Unit 6: Do You Know Where It Is?

The Aims of My City

My city wants to be clean, safe, and beautiful. It also wants more parks and good schools. We can help the city by keeping it clean, throwing trash in the bin, and following the rules. I can also save water and turn off lights. If we all help, our city will be a better place.
