**II- Reading Comprehension (12 Ms)**

**Read the following passage carefully, then answer the questions below:**

I have always wanted to fly. When I was just six years old, I enjoyed watching planes on television. I also had a toy plane and I loved it. When I was 12, I went to the airport for the first time. We were going to meet our cousins. But I was so excited to see the planes that I did not want to leave the airport. I said, "I want to be a pilot." My parents liked the idea. They even got me books about flying. That's why I work hard at school. When I go to the university, I will study everything about flying. That's how I see myself after five years.
