Narrative / story

Unforgettable day - bad experience, - - -

Last week, I and my family went to Sealine.

It was a sunny day. When we arrived there, my father told me that the sea was very dangerous and made me promise not to walk up to it.

I didn't keep my promise, I walked into the sea, and I fell down because the sea was very deep. I cried out loudly. My younger brother tried to help me but he also fell into the sea.

Luckily, an old man was walking there. He found us and saved us.

Then, my father and mother came. My father knew what happened and he was very angry with me. I died of fear and felt ashamed of myself for what I did. I had to obey my father and not to break my promise with him.
