Reading:

Read about Emily's vacation week and answer the true or false questions.

Hi! My name is Emily and I live in The USA. I have a mother, father, and younger brother. My mother is a firefighter and my father is a dancer. We love to travel and last week we took a vacation to California!

When we go on vacation, my family loves to stay outdoors. In the daytime, we climbed mountains and swam in the sea. I love to watch my shadow as it changes from long to short during the day. In the afternoon, we played football together. It was really fun! At night time, we watched the moon and the stars. My dad counted all of the stars! He told me there were 200 stars in the sky. I played so much every day and felt tired every night. It was a wonderful vacation.

Now, we are traveling back home. My father is driving the car and my mother is singing songs. My brother waved at other cars for an hour but now he is sleeping. It is raining a little and I can see a lot of clouds in the sky. I am excited to go on vacation again next year.

TRUE OR FALSE (2 points each)

1. Emily is from Canada.
2. Her mom is a dancer and her dad is a firefighter.
3. Emily's family loves to stay inside the hotel.
4. Her dad counted 200 stars in the night sky.
5. It is sunny when they are driving home.
