On the weekend I worked hard while it was freezing outside on Saturday morning, I listened to the radio program while I was driving to the shops. In the evening I cooked dinner while I was watching television. After dinner I washed the dishes while my husband was watching the football. Later that evening I made necklace while I was watching a movie. When I was mopping the floor on Sunday morning, I thought about what to cook for the week. On Sunday morning I stayed inside while it was raining outside. I also read a book while lying on my bed.
