## SUPERLATIVE ADJECTIVES

### Lesson 7

**Activity 1: Study the chart and complete the sentences with the corresponding superlative.**

**This is the rule for short adjectives:**

| Superlatives  |             |                |  |
|---|-------------|----------------|--|
| We use superlative adjectives to compare a person or thing with a number of other people or things. |             |                |  |
| For short adjectives we add <b>the + -est</b> . Be careful of spelling.                             | <i>big</i>  | <b>biggest</b> | <i>The new monitor was <b>the biggest</b> in the room.</i> |
|   | <i>fast</i> | <b>fastest</b> | <i>Your version of the software is <b>the fastest</b>.</i> |
|   | <i>easy</i> | <b>easiest</b> | <i>It's <b>the easiest</b> to use.</i>                     |

- Who got the \_\_\_\_\_ (fast) answer in the game?
- My antivirus is the \_\_\_\_\_ (cheap) and it is good.

- I don't know which software is the \_\_\_\_\_ (safe).
- This is the \_\_\_\_\_ (small) printer in the office.
- I imagine that scanner is the \_\_\_\_\_ (late) purchase of this company.

**This is the rule for long adjectives:**

|  |                  |                                 |   |
|--|------------------|---------------------------------|---|
| For long adjectives we use <b>the most/the least</b> . | <i>difficult</i> | <b>the most/least difficult</b> | <i>This version is <b>the most difficult</b> to use.</i>            |
|  | <i>expensive</i> | <b>the most/least expensive</b> | <i>His computer is <b>the least expensive</b>.</i>                  |
|  | <i>reliable</i>  | <b>the most/least reliable</b>  | <i>I think you should buy that. It is <b>the most reliable</b>.</i> |

- Which is \_\_\_\_\_ (convenient) antivirus for you?
- This program isn't \_\_\_\_\_ (reliable). There is always a problem.
- This new application is \_\_\_\_\_ (difficult) version I have used.
- I would like to know which is \_\_\_\_\_ (practical) processor for children.
- She got \_\_\_\_\_ (expensive) e-book.
- I'm not sure if these are \_\_\_\_\_ (comfortable) headphones.

This is the rule for irregular adjectives:

|                                  |      |           |   |
|----------------------------------|------|-----------|---|
| Some superlatives are irregular. | bad  | the worst | That is <b>the worst</b> software I've ever used!           |
|                                  | good | the best  | I really like this website. It's <b>the best</b> I've seen. |
