Answer the questions based on the story given.

### The hare and the tortoise

1.

Once there was a hare. He felt very proud because he could run very fast.

2.

One day, he saw a slow-moving tortoise. The hare laughed at the tortoise and said, "you're moving very fast, shall we have a running race."

3.

On the Fixed day, both the hare and the tortoise arrived at the starting point. They had to run up to a big banyan tree, nearly a mile away.

4.

It was really a long distance for the tortoise. The race started. The tortoise began to move forward slowly.

After running for some time, the hare stopped to take a rest. The tortoise was far behind. "It will take him a long time to catch me", thought the hare. He laid down under a shady tree and soon fell asleep.

Meanwhile, the tortoise kept moving slowly and steadily. On the way, he saw the hare in deep sleep.

He continued to move and finally reached the winning point.

When he reached the end point, he saw the tortoise waiting, with a smiling face. The hare hung his face in shame.
