I. **READ THE DESCRIPTION AND MARK WITH AN X THE FUNCTION THAT YOU CAN DO WITH AN OLD PHONE AND WITH A NEW SMARTPHONE.** (1 pt each /11 pts)

I bought a new smartphone. I can connect to the internet with it and download tons of apps. Of course, I can make phone calls, but I can also play games, take pictures, and watch videos with it. With my old phone I couldn't do that, but I could do calculations and set alarms, and

call people, which I can also do with my new phone. I could also take pictures with it, but in a really low quality. I love it because it has a lot of memory and I can download tons of songs and listen to music all day!
