### ALL ABOUT ME

My name's Bradley and I'm fourteen. I'm from California, but I live in Palm Beach in Australia. It's one hour from Sydney. I'm a student at Currumbin High School in Palm Beach. I love science and music, but I hate geography and math. My favorite subject is P.E. I can run fast. I play basketball and I surf, but I don't surf at school! I surf in the afternoons after school and on weekends.

I like hip-hop and rock music. My dad doesn't like my music, so I listen to it in my room. I love *The Gazette*, a Japanese band. I speak some Japanese, but I don't understand the words when they sing in Japanese! I watch movies, but I don't watch TV. I love Jennifer Lawrence, the American actor. She's in my favorite movie, *The Hunger Games*. I read science fiction books, but I don't read magazines. I wear T-shirts, but I don't wear T-shirts with slogans. I hate them! They aren't cool.

- c. He loves Geography.
- d. He likes Physical Education
- e. He has a dog.
