My Weekends

Dear Anne:

I like my weekends very much. I get up at 10 o'clock and I usually go for a walk with my dog in the park. On Sundays, I go shopping with my family at 11 o'clock and then I meet some friends. We talk for a while and I come home by car. We have lunch at half past twelve and then, I ride my bike. My brother usually rides with me and we enjoy riding across the park together. Spot, our dog, runs after us and we have a lot of fun together. My parents and grandparents stay at home and they play cards or chess. In the afternoon, we sometimes play football, read magazines or listen to music with some friends. They often have tea with us and go home at seven o'clock. Then, we have dinner and go to bed at 10 o'clock because we have school at eight a.m. on Monday.

And you? What are your weekends like? Write me.
