2. a. more b. less c. regularly d. often
3. a. cleaner b. fresher c. dirtier d. cooler
4. a. with b. out c. down d. away
5. a. reduced b. reused c. recycled d. returned

B. Read the passage, then decide if the statements are True or False.

We talk about saving our environment and how important it is to conserve natural resources. We read about the importance of a healthy environment to survive. Environmental education has made us realize the need to preserve natural wealth. But just knowing and talking doesn't help. When was the last time you did something towards protecting the environment? Forget doing, when was the last time you even felt like doing something to save nature?

We know about the need to save the environment and we often talk about it. But most of us only talk. A very few of us actually do something. Let's resolve to work towards saving the environment - even a small step counts.

1. To save our environment, we shouldn't do more and talk less. _____
2. Thanks to the environmental education, we realize that it's necessary to conserve natural resources. _____
3. Now we are doing much to protect the environment. _____
4. The word healthy in line 2 means strong. _____
5. We need to do som_____
