IF LIFE WERE LIKE A COMPUTER:

- You could add/remove someone in your life using the control panel.
- You could put your kids in the recycle bin and restore them when you feel like it!
- You could improve your appearance by adjusting the display settings.
- You could turn off the speakers when life gets too noisy.
- You could click on "find" (Ctrl, F) to recover your lost remote control and car keys.
- To get your daily exercise, just click on "run"!
- If you mess up your life, you could always press "Ctrl, Alt, Delete" and start all over!
