4 WRITING • An email about your school

I can write an email about my school.

THINK! What do you know about schools in other countries?

Hi Ela,

I'm really happy that you can come to Ireland and study at our school next month for the exchange programme. Here's some information for you: Clonakilty Community College is a medium-sized school with about 500 students. It's in the centre of Clonakilty, in Ireland. Classes here start at 9 a.m. and finish at 4 p.m. There's a break at 11 a.m. and we have lunch at 1.20 p.m. Some subjects, like maths and English, are compulsory. Other subjects such as woodwork, business studies and languages are optional. I like languages, so I study French and Spanish. What are your favourite subjects?

Here's a photo of some students in my class. We're looking for information for a geography project. Maybe you can email me a photo of your class or your school.

Write soon,

Danny
